### **Position: Senior Instructor**

**The Goh Ballet Academy, an internationally renowned ballet institute based in Vancouver, BC is seeking a full-time senior choreographer and instructor to join our annual team.**

#### **About Goh Ballet Academy:**

Dance should be a part of every child's upbringing; it is a vital form of human expression. Nurturing and cultivating this physical and emotional communication is the core mission of the Goh Ballet Academy.

Through participation in dance, we are able to unveil and foster hidden talents and inspire creative thinkers. The holistic experience and training of dance connects the mind and body and draws out confidence, independence and artistic expression that contribute not only to the fulfillment of a dance career, but also to valuable life skills.

The Goh Ballet aims to provide the optimal level of dance instruction to encourage the development of a child's individual best, fostered in an environment of like-minded peers in the pursuit of personal excellence.

#### **Our Mission and Vision:**

For 40 years, our Academy has been recognized as the premiere dance academy in Vancouver, offering the highest caliber of dance education and artistic experience. Our comprehensive curriculum and unrivaled opportunities for professional performance are celebrated by the Vancouver community and recognized in international circles.

The Goh Ballet Academy is unique in that students are able to take advantage of world class training and opportunities while benefitting from high quality of life, academic excellence through our public and private school system, and for those that live in Vancouver, the ability to remain with their families until after graduation. Our well-rounded training programs offer opportunities that are typically found only in ballet schools officially associated with the top ballet companies around the world which are often funded federally and designed specifically to feed into these companies.

The Academy is extremely proud to acknowledge the achievements of our students at international competitions and the visibility of our graduates who fill the ranks of world renowned companies. The continued success of our students and the dedication of their families provide motivation for our Faculty and supporters to continue to strive for excellence.
