2010 Nutcracker Auditions

Goh Ballet hosted another successful audition for its highly renowned Nutcracker production on Sunday, May 30th at the Scotiabank Dance Centre. A full house for the day, Goh Ballet wishes to thank all the staff members, teachers, and volunteers who worked tirelessly to organize and oversee the smooth operation of the auditions. Furthermore, students from around the lower mainland got to know one another and shared equal opportunities to claim many sought-after roles ranging from the Party Girls to the Snow Queen.

Tokyo Auditions

Goh Ballet held 2010-2011 auditions in Tokyo, Japan at the beginning of May. We were very excited at the turnout and level of performance shown at the auditions. The students auditioning in Tokyo showed tremendous interest through their many inquiries and eager attitudes towards the chance to attend the Goh Ballet Academy. We look forward to welcoming some of these students in the coming months.
